Last Minute Risk Assessment

1. What are you going to do?

2. What are the hazards?

3. Can you do the job safely?

4. If not, take action.

WORK SAFE

KONINKLIJKE
WAGENBORG

Safety F**1**rst

1. What are you going to do?

- Are the tasks clear?
- Is a work instruction / work permit present and is it clear?

2. What are the hazards?

- Fall hazard, electrocution, jamming hazard, weather conditions, physical strain, falling objects / tools, (environment) hazardous materials, high pressure, ...

3. Can you do this job safely?

- Is the (work) environment secure?
- Are there other activities nearby?
- Do you have the right PPE, tools and support/communication equipment?

4. If not, take action.

- Alert your colleague's/ supervisor/ other people involved and if possible solve the problem together.
