

sign of solutions

Welcome to Royal Wagenborg

Whatever transport is important to your business: Royal Wagenborg has been looking for the most intelligent and reliable transport solutions for more than a century. Royal Wagenborg finds them with committed people and state of the art equipment. Wagenborg, a sign of solutions since 1898.

Wagenborg Towage engages in towing, hoisting, lifting, transporting and salvaging objects. The company has its own tugs to 56 tons BP, pontoons to 20,000 tons DWT, its own sheerleg and salvage equipment. Our knowhow and experience guarantees fast and efficient availability of its equipment and staff.
